On August 18, 2014, Petitioner, a state prisoner proceeding *pro se*, filed a petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254. Petitioner also filed an application to proceed *in forma pauperis* (“IFP”). (Docket No. 3.) On the same day, the Clerk sent Petitioner a notice that his IFP application was insufficient because he failed to attach the necessary supporting documentation: (1) a Certificate of Funds in Prisoner’s Account completed and signed by an authorized prison official; and (2) a copy of his prisoner trust account statement showing transactions for the last six months. (Docket No. 5.) Petitioner was directed to file a response within twenty-eight days of the notice to avoid dismissal of the action. (*Id.*)

Petitioner has filed copies of his requests to the prison trust office to obtain the required documents. (Docket Nos. 6 and 7). However, nothing further has been

1 received by the Court with respect to Petitioner's IFP application.

2 In the interest of justice, Petitioner is granted an extension of time to file a
3 complete IFP application. **No later than twenty-eight (28) days** from the date this
4 order is filed, Petitioner shall file the supporting documents discussed above. In the
5 alternative, Petitioner may file the \$5.00 filing fee in the same time provided.
